Sir:

Counsel filed a Response to Notification of Missing Requirement on July 18, 2005 and this was treated as a Request Under 37 CFR 1.497(d) to add an inventor. Counsel received the Decision mailed August 30, 2005 and the request was dismissed because the initial filing was allegedly missing the processing fee set forth in Rule 1.17(i) and an Assignment.

It is pointed out that the first page of the Response to the Notification of Missing Requirements did include the authorization for the Commissioner to charge undersigned counsel's deposit 06-1358. However, in order to simplify the procedure, a PTO-2038 is enclosed authorizing payment of the \$130 processing fee.

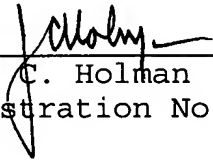

With regards to the Assignment, counsel filed an Assignment at the Office on May 2, 2005 and a copy of the Cover Sheet, Assignment and dated postcard receipt is enclosed.

It is submitted that the two outstanding items, namely the processing fee and proof of Assignment have now been proffered and consequently it is requested that Petition be reconsidered and granted.

Respectfully submitted,

JACOBSON HOLMAN PLLC
